### OPT-Out

- ✓ Their funded hours completely free of charge.
- ✓ The deposit paid for a funded-only place at the time of registration is refunded once the child starts attending.

#### Important information when opting out:

- \* Parents are required to provide all meals and snacks for their child in line with the nursery's food and allergy policies
- \* 30 hours funding may be used towards 2 full days per week (using 20 stretched hours), and 15 hours funding may be used towards one full day per week (using 10 stretched hours). You will not be using your full entitlement and can use the remaining hours elsewhere. We only claim funding for the hours delivered.
- \* Due to operational arrangements, sessions for funded-only places may be allocated on a term-by-term basis and may be limited to specific days (for example, a Monday and Friday). Families will be informed of allocated sessions at least two weeks prior to the start of term.
- \* Some enhanced provision experiences may not be included, but we will always ensure a high standard of care as an alternative.
- \* If we go on any trips or undertake any special activities/events that are not included in the funding on a day your child attends, you will be given the option to pay at the time, or swap your session subject to availability.
- \* The Basic Package applies to the funded hours only.
